RAIN...NOT SNOW!

It was raining, it was pouring! At least it wasn't snowing!! It was a wet Rain Week. We learned about clouds, evaporation, rain, and rainbows.

Making shapes with a "cloud"

Squeezing under the "mushroom" umbrella

The clouds reminded us of our Bible story during Rain week. Jesus went up to heaven, promising he would return again someday. While we wait for his return, he wants us to share the Good News with everyone. Our favorite activity during the week was acting out the story of "Mushroom in the Rain". We loved pretending to be the animals that crowded under a tiny mushroom during a big rainstorm.

We made a huge rainbow, gathering colored toys from around the room. It was fun, until we realized that we had to put all of the toys BACK where they came from!

Making a rainbow with classroom toys

Summer Child Care

Despite the construction that will be going on during the summer months, Child Care will remain open. If you are planning to have your child(ren) in Trinity's Child Care during the summer months, please notify the Child Care Center as soon as possible.

REMINDER

Monday, May 26th is Memorial Day – No School.Child Care is **CLOSED**

CHILD CARE ACTIVITIES

Good Friends

Peering out from the playground structure

Some serious dressing-up

Mastering the hoola-hoop
